

CITY OF COLUMBUS

BUDGET IN BRIEF ■ 2021

COLUMBUS: AMERICA'S EQUAL OPPORTUNITY CITY

Our 2021 budget is focused on the following strategic priorities that will ensure all residents in every part of the city have the opportunity to thrive:

DIVERSITY & INCLUSION

Foster a culture of inclusion so that our workforce and suppliers reflect the rich diversity that makes up Columbus and that the work of the city is approached through the equity lens.

NEIGHBORHOODS

Invest in neighborhoods throughout Columbus, especially those with higher rates of unemployment, crime, and infant mortality – Franklinton, Hilltop, Linden, Near East, Northland, Near South, Southeast, and Northeast.

ECONOMIC DEVELOPMENT AND AFFORDABLE HOUSING

Advance economic recovery from COVID-19, assuring that this recovery reaches every corner of our community. Through public investment and public policies, we will create jobs, increase wages, improve access to affordable housing, and strengthen neighborhoods.

BIRTH TO FIVE AND EDUCATION

Invest in CelebrateOne to ensure all babies in Columbus and Franklin County are able to celebrate their first birthday and beyond. Through Early Start Columbus, work to ensure all children are able to enter kindergarten with the skills and knowledge they need to thrive.

NEIGHBORHOOD SAFETY & PUBLIC HEALTH

Continue to employ new approaches to policing that empower neighborhoods, invest in police officers and firefighters, and bring the full resources of the city to bear to make Columbus neighborhoods safer and healthier.

POLICE REFORM

Move toward a 21st century model of law enforcement that focuses on proactive police-community interactions and broad-based support to prevent and reduce crime.

SUSTAINABLE COLUMBUS

Optimize internal city operations and work with external stakeholders throughout the community to enhance and promote policies that build stronger, healthier neighborhoods.

COLUMBUS

ANDREW J. GINTHER, MAYOR

A MESSAGE FROM MAYOR ANDREW J. GINTHER

The public health, economic and human impact of COVID-19 has been devastating on our community. Despite receiving significant relief through the Coronavirus Aid, Relief, and Economic Security (CARES) Act, Columbus residents, employers, social services agencies and institutions have suffered significant financial losses.

Despite declining revenue, the city's financial position, while challenged, remains strong, and reserves have been maintained to assure the city can continue to weather the havoc the pandemic has unleashed on our city.

The 2021 budget reflects the strategic investment of available resources to address the uneven and disproportionate impact of COVID-19 on those already marginalized, including the community's highest priorities: police reform, affordable housing and neighborhoods.

After a year that has seen increased gun violence, homicides and a national reckoning over racial injustice and police brutality, the city is committed to changing its approach to funding public safety. While funding the Division of Police remains a significant portion of the city's budget, the 2021 budget reflects increased investment in Public Health, Department of Technology and the Department of Neighborhoods to reduce the burden on police and to formulate a more holistic approach to public safety.

We are also working with partners to increase the availability of affordable housing - across all neighborhoods. And we continue to lift up our opportunity neighborhoods to ensure not only housing, but access to jobs, healthcare and transportation.

The 2021 Budget is a balanced budget that addresses the needs of our community equitably, while maintaining fiscal responsibility and securing the financial future of Columbus.
